Judicial Conduct

Question: A judge learns that their spouse, a practicing attorney, is likely to appear as counsel in a matter pending before the judge. What is the most appropriate action for the judge to take under the Model Code of Judicial Conduct?

Answer: The judge must disqualify themselves from the matter unless all parties agree in writing that the judge's spouse's participation in the case does not warrant disqualification.

Question: Under the Model Code of Judicial Conduct, which of the following statements is true regarding a judge's use of social media?

Answer: Judges may use social media but must avoid any activity that would undermine their independence, integrity, or impartiality.

Question: A judge is offered a gift from a local community organization for their years of service in the judiciary. According to the Model Code of Judicial Conduct, which statement best describes the action the judge should take?

Answer: The judge may accept the gift if it is of nominal value and does not influence the judge's judicial conduct or judgment.

Question: Under the Model Code of Judicial Conduct, a judge is to recuse themselves from a proceeding in which their impartiality might reasonably be questioned. Which of the following situations would most likely require such recusal?

Answer: The judge has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding.

Question: A judge serves as a director on the board of a non-profit organization that engages in court-related education. The organization decides to lobby for increased funding for judicial education. What is the most appropriate action for the judge to take, in accordance with the Model Code of Judicial Conduct?

Answer: The judge must not participate in any lobbying activities but can remain on the board.
